Summary

I am a final year IT student at NWU who is passionate about software and web development and computers. Always eager to learn something new in programming. I love challenges and exchanging ideas.

I am looking for an environment where I can grow my programming skills, learn new things and how to properly apply my knowledge into something alive.

Experience

Student Assistant - 07/2019 – 07/2020

North West University, Vanderbijlpark

I assisted first and second year students with graphical user interface programming in c#, I was responsible for:

- Marking Assignments and tests.
- Helping students in class when they needed help
- Reviewing and assessing group projects
- Helping with invigilating during tests and exams.

Education

Bachelor of Science: **Information Technology** – to be completed by 2020

North West University, Vanderbijlpark

- Database Systems
- Object Oriented programming (Java)
- Advanced Graphical User Interface and Database (C#)
- Artificial Intelligence
- Data Structures and Algorithms
- Systems Analysis and Design

Matric certificate: 2016

Dlomodlomo Secondary School, Nhlazatshe

- English First Additional Language
- Mathematics
- Physical Science
- Accounting
